The living room has an impressive amplitude, thanks to the spectacular windows that give way to the terrace on the first floor. It has a fantastic south orientation, which allows the house to enjoy light throughout the day. In addition, the dining room has an incredible fireplace for rainy winter days: the perfect detail to make you feel at home. The duplex has three bedrooms, one of them with bathroom en suite. The master bedroom has a private balcony from which you can also enjoy the sea views. Can you imagine waking up with these views? The community includes a swimming pool and a communal barbecue area to make the most of summer days.
